

Federal Tax Coordinator 2d

Written for practitioners by practitioners. RIA's **Federal Tax Coordinator 2d** covers all the laws, regulations, IRS rulings and releases that apply to each tax problem. RIA's expert editors bring you in-depth analysis of the law and back up their insights with citations to all controlling authorities.

Thorough coverage of Income, Estate and Gift taxes, and comprehensive coverage of Excise, FICA and FUTA – organized by subject for easy access – conveniently updated in place so there's no need to track down recent developments.

- Broad and detailed reference tables provided with each chapter inclusive of all the possible ramifications or solutions to your problem
- Editor's commentary in the form of Observations, Recommendations, Cautions and Illustrations provide professional insights above and beyond the analysis of the law
- Extensive cites to the authorities to support the analysis
- RIA's complete compilation of the Internal Revenue Code and Treasury Regulations for speedy reference
- Implementation guidelines with references to the forms, elections and statements needed, with locations of model language and completed sample forms
- Proven practice tools, sample client letters, checklists of tax-saving opportunities and other practice aids to help you better serve your clients while generating revenue
- The premier *Federal Tax Weekly Alert* newsletter and RIA Federal Tax Handbook for quick and direct answers to your day-to-day tax questions
